

**CITIZEN'S POLICE ADVISORY COMMITTEE**  
**Round Hill (P-5)**  
Alamo, California

Minutes of Meeting on April 21, 2021

Committee Members in Attendance: Rick Kopf, Lee Mlejnek, Linda Schultz, Mark Young, Don Magalhes, Tyker Fagg, Rich Johnson, Jason Hill, Jason Dudum, Mark Cordone

Committee Members Absent: none

Guests in Attendance: Deputy Brian Berry, Lt. Scott Wooden

The P-5 Advisory Committee met by ZOOM Meeting. Rick Kopf called the meeting to order at 7:00 PM. Minutes of the March 17 meeting were approved and passed unanimously.

Public Comment: none

Financial Report: Mark Young discussed the timing of the financial information coming from the County and that it is arriving a few days after our meeting. He would like it more current but after moving the timing of the meeting once in the last year the Committee will use the most current information that he is able to report. At this time current spending is \$47000.00 a month and projections remain on track. He does not have any figures for the new Patrol Vehicle since it has not been placed in service yet.

Rich Johnson asked Mark about policing in the P2-B area. Mark explained how funding is determined in the unincorporated areas of the County and the patrol coverage by the Sheriff's Department. Measure K is coming up for a vote soon and it is important the the residents of the P2-B district pass the increase if they want to retain their current patrol coverage. He encouraged any of the P-5 Committe Members who are acquainted with P2-B residents to educate them about how their policing could be impacted by not supporting the

tax increase. P-5 has an interest in the outcome because any loss of police coverage in P2-B could pull our Deputies out of Round Hill to provide services.

P-5 Activity Report: Deputy Berry reviewed the Police Report with specifics about a break in of an unoccupied home on Royal Oaks Drive that is being remodeled, service to citizen calls and vacation house checks. High visibility is being maintained in order to emphasize a police presence. In anticipation of more activity in the next few months traffic enforcement has been stepped up. The new patrol vehicle will be ready for duty in three to four weeks. Currently a wiring harness for the radar installation is holding up its delivery for service.

Deputy Torres will be going out on leave next week for approximately six weeks and with the help of Sgt. Debra Williams and Lt. Scott Wooden all his shifts have been filled with replacement Deputies. Deputy Berry will advise those replacements on specific areas of patrol duties that they should concentrate on.

Sheriff's Volunteers patrolled 0 Round Hill Streets (297 YTD) and issued 0 warning notices (67 YTD). These statistics have not changed since February due to the continued "Shelter in Place" order.

Old Business: none

New Business:

The meeting was adjourned at 8:05 PM

Respectfully submitted by Lee Mlejnek.
